

**D.A.V CENTENARY PUBLIC
SCHOOL, CHANDER NAGAR
GHAZIABAD**

Dear Children,

Summer vacations are meant for lots of fun and enjoyment with family and friends. We have planned some interesting activities for you to enrich your learning experience.

We believe completion of assigned work is worth when we integrate discipline and good values with it. Set a time table, spend some time in physical exercises like yoga, dancing, aerobics or pursue any of your hobbies passionately, nurture some plants, help your elders and younger.

Do remember, Good books are your best friends in all times.

ENGLISH

Q. Answer the following questions in English PNB :

Lesson 1: A True Friend

1. Describe how Rahul's feelings towards Raj changed during the story.
(Focus on jealousy, guilt, and realization.)
2. Explain the plan Rahul made before the sports day. What was the result of that plan?
(Mention what Rahul did and how it affected the race.)
3. Identify the moment Rahul began to feel sorry for his actions.
(What made him realise his mistake?)
4. Discuss how Raj responded after learning the truth. What does this show about him?
(Focus on Raj's reaction and forgiveness.)
5. Summarize the lesson Rahul learned by the end of the story.
(What changed in him, and what effort did he make afterward?)

Lesson 2: Mix Up at Birth

6. Describe what Nan-Kaka noticed on his second visit to the hospital.
(Mention the ear-lobe detail and how he reacted.)
 7. Explain how the babies were mistakenly switched. What caused the confusion?
(Talk about the bath and the mix-up.)
 8. Discuss why vigilance is important in places like hospitals, using this story as an example.
(Use the story to support your explanation.)
 9. Identify the key role Nan-Kaka played in the story.
(How did his actions change Sunil Gavaskar's future?)
 10. Reflect on how Sunil Gavaskar's life might have been different without his uncle's attention.
(Give your thoughts based on the story's events.)

HINDI

प्रश्न - 1 कोई ऐसी घटना का वर्णन कीजिए जब आपके दादा-दादी ने आपकी प्रशंसा की हो और क्यों?

प्रश्न - 2 पाठ 'फैलती चप्पलें' के आधार पर सुप्यंदी के चरित्र की विशेषताएं बताइए -

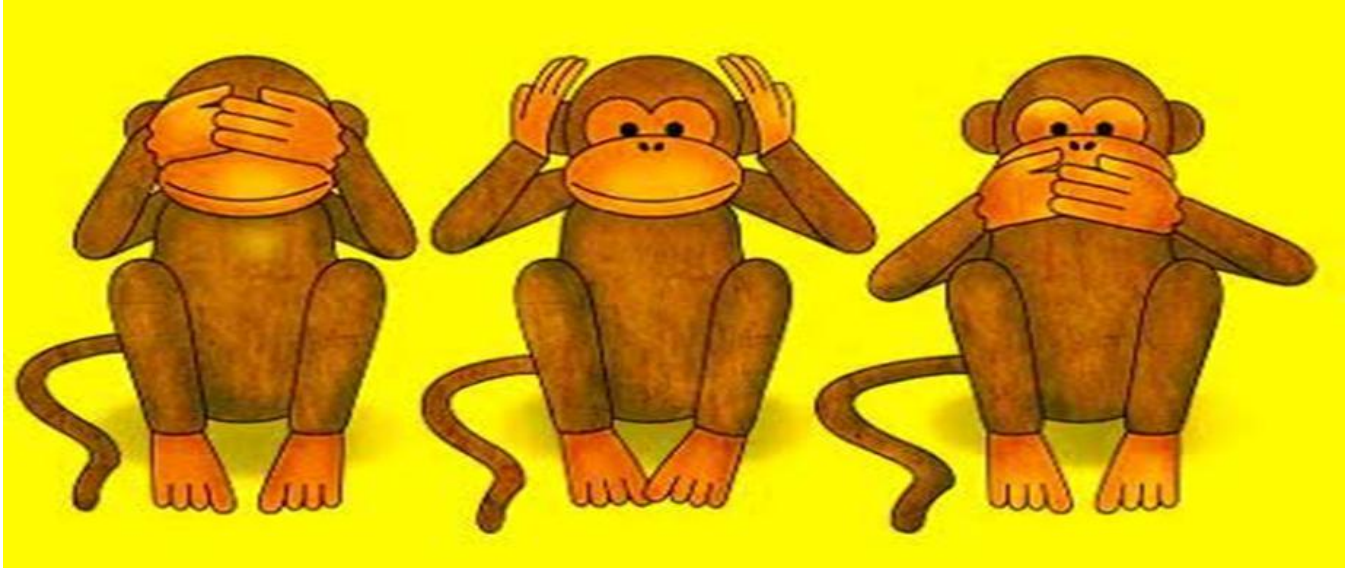

प्रश्न - 3 कविता 'उलटा - पुलटा' के आधार पर विविध जानवरों के चित्र चिपकाकर उनके व्यवहार को लिखिए-

प्रश्न - 4 आप किन-किन परिस्थितियों में हिम्मत खोने लगते हैं? उस समय आपकी मदद कौन करता है और कैसे करता है? विस्तारपूर्वक वर्णन कीजिए-

प्रश्न - 5 कविता 'उलटा - पुलटा' में कहा गया है, कि 'कोशिश करने वालों की कभी हार नहीं होती'। इस कथन के सहमति में अपने विचार व्यक्त कीजिए 4-5 पंक्तियों में-

प्रश्न - 6 गाँधी जी के किन गुणों को आप अपने जीवन में अपनाना चाहेंगे और क्यों?

प्रश्न - 7 ये गाँधी जी के तीन बंदर हैं। इनके चित्रों को देखकर इनसे मिलने वाले संदेश लिखिए-

प्रश्न - 8 एक सच्चे और अच्छे मित्र में कौन-कौन से गुण होते हैं? किन्हीं 5 गुणों की व्याख्या करें-

प्रश्न - 9 'स्कूल में मेरी मित्र मंडली' - इस विषय पर एक अनुच्छेद लिखिए-

प्रश्न -10 अपने मित्र को मित्रता का महत्व बताते हुए एक पत्र लिखिए-

- (महत्वपूर्ण बिंदु) : ऊपर दिए गए सभी 10 प्रश्नों के उत्तर अपनी हिंदी (पीएनबी) अभ्यास नोटबुक में करें। एकीकरण शिक्षण गतिविधि को (A4) आकार की सीट में करें।

MATHEMATICS

NOTE- DO HW SEPARATELY ON A4 SIZE PLAIN SHEET/RULED SHEETS. IT SHOULD BE SUBMITTED IN A FILE.

SIMULATION WITH REAL LIFE SITUATIONS-

1) Prepare a lunch menu for a week. Tabulate it mentioning the cost & Quantity of each item used.

s.no	Menu items	Weight in kg	Price per kg
			Total cost

2) **OBSERVATION** -

Write the name of different objects from day to day life that can be measured in , “cm “. “m “and “Km” and tabulate them.

s.no	Name of object	Measure in cm/m/km	length

3) **Project:**

Make tribal masks of any one state (Arunachal Pradesh or Meghalaya).

4) **Competency based –**

Collect journey tickets either of bus/metro/train/plane (at least 5 tickets and paste them too).

and write the following:

Date of journey, distance in Km, seat number, time and cost of ticket.

5) Learn and write tables from 6-17

6) Creativity and Art integration-

Using a compass, draw and colour a beautiful design using only Circles (at least 2).

7) Activity based-

Create a game based on mathematics.

8 Research Project:

Collect the data of length of any 5 rivers of India.

- Write their number names.
- Write the expanded form of these numbers. (all 3 ways)
- Add them.
- Write the difference between the longest and the shortest river.

9 Case study

(SDG GOAL - 7)

Affordable and clean energy

Do you know: After CNG, which is an eco-friendly fuel ?

Now electric vehicles are in trend as Electric vehicles create less pollution. In the month of March Honda Activa produced 45,670 electric scooters and in April they produced 30,150 electric scooters.

- a In which month did they produce more scooters?
- b How many electric scooters were produced by them in two months?
- c How many more scooters were produced by them in the month of March than April?

10 Prepare yourself for a Maths presentation on any one topic with props. Make a video (2 -3 minutes) and send it via mail on -

class4amaths@gmail.com

Don't forget to mention your name, class, section and topic.

SCIENCE

Do the following questions on the A-4 size ruled sheets.

1. What is digestion? Describe the role of the stomach in the digestive process.
 2. Name the three types of teeth found in the human mouth and explain their functions.

 4. What happens to the undigested food present in our body.
 5. What is the main function of the small intestine in our body?
 6. Define root and how it helps in soil conservation.
 7. Differentiate between taproots and fibrous roots with examples.
 8. Why do some plants have breathing roots? Provide an example.
 9. What are the main parts of a plant? Describe the function of each part.
 10. What are edible roots? Give two examples.
-

SOCIAL SCIENCE

Do the following questions on the A-4 size ruled sheets.

- Q1 What is the importance of participating in school stage programmes?
- Q2 How is Ganesh Chaturthi celebrated in Maharashtra?
- Q3 Mention any three features of Navratri.
- Q4 How do people of Kerala celebrate the homecoming of their beloved king?
- Q5 How is Navroz celebrated in India?
- Q6 Write the significance of Dussehra.
- Q7 Mention three important features of an ideal home.
- Q8 List three dangers that are posed by open garbage heaps.
- Q9 Write two responsibilities that are necessary for children to maintain cleanliness in the house.
- Q10 Write the purpose of having a chimney or exhaust fan in the kitchen.
-

COMPUTER

1. Create a list of Roles of Computer in your daily life in the following manner.

S.No.	Place	Input Device	Output Device	Type of work
1	Shopping Mall	Keyboard, Mouse, Barcode Scanner	Monitor, Printer	Billing
2				
3				
4				
5				

2. Draw any two of the following in Tux Paint/ MS- Paint and get their printout or send it through [email - himani@davcpscn.com](mailto:himani@davcpscn.com)
- Robot
 - Scene from nature
 - Underwater World
 - Birthday party

MULTIDISCIPLINARY PROJECT
TOPIC : WATER

GUIDELINES :

- A) Make a common file for multidisciplinary project.
- B) Mention your name, class, section and roll no. properly.

ENGLISH

What is an Acrostic Poem?

- An acrostic poem is a fun kind of poem where:
- You write a word going down the page (like WATER).
- Each letter of the word starts a new line.
- Each line should say something about the main word.
- It doesn't have to rhyme necessarily!

Acrostic Poem – “WATER”

- Create an acrostic poem using the word WATER.
- Each letter should begin a line about water.

Example 1:

We need it every day
Always fresh and clean
Trees and animals drink it too
Essential for life
Remember to save every drop!

Example 2:

We use it to drink and play,
All living things need it every day.
Taps and rivers give it flow,
Every drop helps life grow.
Remember to save it – don't let it go!

HINDI

जल संरक्षण से संबंधित स्लोगन या नारा लिखें और जल प्रदूषण के कारण और उसकी रोकथाम के उपाय बताएं।

MATHEMATICS

Create a pictograph to show water usage for different activities.

Use drawings or paper cutouts to make it colourful and fun.

For example:

Activities	Picture of activity	Quantity of water used daily

Brushing Teeth		
Bathing		
Washing Hands		
Washing Dishes		
Drinking Water		
Other (specify)		
Total Water Used		

SCIENCE

1. Write the five ways to reduce water pollution.
2. Write and briefly explain the traditional practices to conserve rain water.

SOCIAL SCIENCE

Water is a gift of nature. Life is not possible without it. Let's all work together to use and save water wisely!

1. Write the names of any two natural and two man-made sources of water and paste the pictures.
2. Mention five uses of water.
3. Write five ways to save water.
 - Use A-4 size sheets.
 - Write in neat bullet points.
 - Add drawings and colour to make it attractive.
