

**D.A.V CENTENARY PUBLIC  
SCHOOL, CHANDER NAGAR,  
GHAZIABAD**

**WINTER  
HOLIDAYS  
HOMEWORK**

**CLASS III**

## **ENGLISH**

1. Read the lesson “The Magic Room” from your English Reader book.
2. Activity: Genie Bottle Craft

Make a genie bottle using any waste or craft material available at home  
(plastic bottle, paper roll, cardboard, foil, glitter, etc.).

Decorate the bottle with colours, stars, and sparkles.

3. Spoken Activity: Show and Tell

(To be conducted in class after school reopens)

Bring your genie bottle to school and prepare 5–6 lines to speak about it.

You may include:

- \* What your genie bottle is
- \* Materials used to make it
- \* Colours or decorations
- \* How you felt while making it

Note:

Creativity, effort, neat work, and confident speaking will be appreciated.

## **HINDI**

सर्दियों से संबंधित A4 साइज सीट पर कोई एक चित्र बनाइए:-

(जैसे – अलाव, स्वेटर, धूप सेंकते बच्चे, गरम चाय आदि)

और चित्र पर 4–5 वाक्य लिखिए।

## **MATHS**

- 1 Make any one poster of any one topic of Maths in A-4 or A-3 size colourful sheet.
- 2 Write and learn multiplication tables from 2 to 15.
- 3 Revise- Ch -Division, Weight, Capacity, Fraction, Day, Date and Time.

## **SCIENCE**

1. Prepare 6-7 lines on the nest you have made and speak about it in the class which may include-
  - Which bird's nest did you make?
  - What materials did you use?
  - How did you make the nest?
  - Why do birds need nests?
  - How did you feel while making it?
2. Read the chapter 10- Water from the book.
3. Revise Chapters- Birds and their nests, Cooking and Eating Habits

## **SOCIAL SCIENCE**

- Visit the nearest post office and note down the prices of a postcard, aerogram, inland letter, etc. Also, gather information about the rates for registered posts and parcels being sent, and present the collected information on an A4-size sheet.
- Read chapter 14 I am proud to be Indian from the book.
