Dear Children,

Congratulations on wrapping up a fantastic school term! You have earned this summer break, and we hope you use this time to relax and pursue your hobbies.

To ensure your academic momentum stays strong, we have curated a meaningful set of Summer Vacation Assignments. Rather than viewing this as just "homework," look at it as an opportunity to research, think critically, and explore topics deeply at your own pace.

Make sure to manage your time wisely so you can balance your academics with plenty of rest and fun.

Stay safe, stay curious, and have a wonderful summer!
